

Title X Annual Web Based Training

All staff who work with or has contact with Title X clients, including receptionists, clerks, administrative staff, clinical staff (medical assistants & medical/medication technicians), licensed professionals (clinicians and nurses), volunteers and students must complete this training annually.

Title X Annual Web Based Training

The following courses need to be completed annually:

- **NMDOH FPP 2021 Title X Orientation Clinical**
- **NMDOH-FP001 | Child Abuse/Neglect Reporting & Human Trafficking Online Training**
- **Cultural Competency in Family Planning Care eLearning**

Sign into your account at [**TRAIN New Mexico**](#). After signing in, you will be able to view your previous training. If the training modules have not been completed in the previous 12 months, you will need to re-accomplish them. If you do not have an account, you will need to create one.

After you have completed each course, you will submit the certificates through the clinical education home page on the LaFamilia intranet.
